Association (SMAAA)

"Round his flag we'll rally ever.
Nothing can our union sever."

Due to Circumstances Beyond Our Control...

It is with a heavy heart that we inform you of our decision not to hold a reunion luncheon again this year. Not only is the virus still with us, but the current and emerging variants make it almost impossible to plan too far ahead. Our concern for your safety outweighs our desire to bring you together in joy and solidarity. It is our hope that you will reach out to each other to fashion some form of reunion for your class that will

reaffirm what you already know..."Nothing Can Our Union Sever!"

How Can We Help You?

In an effort to help you plan your own virtual or in-person get-togethers, we will make available to SMA Class Chairs contact information (as best we have it) for their graduation year. Attached you will find a list of those Class Chairs. If you are on our list, please contact us for alumnae information for your year. If you would like to be a Class Chair, please contact us so that we may add you to our list, and furnish you with any information that we have that you might need in order to plan a gathering.

All of the St. Michael High School, Elementary School and Academy student records have been moved from the St. Michael Rectory on 34th Street to the Archdiocese Archives department. They will handle transcripts going forward.

Former students seeking transcripts should go online:
