"Who will be there from my year?"

Dear Alumnae,

I want to encourage you to come to our annual luncheon on Sept. 26, 2015. I have gone every year (except one), and enjoyed myself very much. They have been lovely afternoons.

I have the blessing of getting together twice a year with my friends and classmates from 1959. We have a wonderful luncheon filled with laughter, reminiscences and true joy. You might then ask, "Why bother to get together with the whole school alumnae when you have such a great time at your own class luncheons?"

I feel deeply that I want to participate in keeping the SMA spirit alive! There is no way that I can adequately express the importance of my high school years in my personal formation. We were so incredibly loved by the Presentation Sisters and the faculty.

I also like to enjoy and embrace the younger alumnae. I want to be a visible presence that speaks, "you are my SMA sister, and you are loved for that reason". I want to give hope to younger SMA graduates that says, "you too can reach the autumn of your years and still be so filled with gratitude that you had the privilege of walking through those hallowed halls and being taught by a caring, intellectual faculty".

I encourage you to come. I'm coming alone. I don't care where I sit. I so enjoy being there.

Hoping some of you will join me.

See You in September!

Rich Opesso had such a good time at Reunion 2014 that he's already told us that he's coming to Reunion 2015. In an email to us he said, "I

am very happy to join you in Sept. I have very strong feelings for all my students. I enjoyed being part of there lives.
See you in September!"

P.S.
Teresita O'Leary is coming too!
